

AMENDATORY ENDORSEMENT - CONNECTICUT
(For Use with Employment Practices Liability Coverage Part – Defense Only)

In consideration of the premium, Section VI, Extended Reporting Period Coverage of the Employment Practices Liability Coverage Part – Defense Only of the Policy is deleted and replaced with the following:

VI. EXTENDED REPORTING PERIOD COVERAGE

If there is a **termination of coverage** event, then the **named insured** shall have the right to an **extended reporting period** as follows:

Automatic & Optional Extended Reporting Period

- A. We will provide to the **named insured**, at no additional premium, an automatic **extended reporting period**, for the purpose of reporting an **employment claim**, which begins at the termination of the **policy period**. This automatic **extended reporting period** will terminate after sixty (60) days. The automatic **extended reporting period** will not reinstate or increase the limits of liability.
- B. We will advise the **named insured** in writing of the automatic **extended reporting period** and the availability of, the premium for, and the importance of purchasing an optional **extended reporting period**. This advice will be sent no earlier than the date of notification of termination of this Coverage Part, nor later than 15 days after termination of this Coverage Part.

To use this right to purchase an optional **extended reporting period**, the **named insured** must:

1. write to us within the greater of 30 days from the effective date of the termination of this Coverage Part or 15 days from the date of mailing or delivery of the advice as noted above to tell us the **named insured** wants the extension; and
2. pay the premium to us promptly when due.

The additional premium for the optional **extended reporting period** shall be a one (1) year optional **extended reporting period** for an additional premium of 75% of the premium charged for this Coverage Part, or an unlimited optional **extended reporting period** for an additional premium of 187% of the premium charged for this Coverage Part.

If an optional **extended reporting period** applies, the limits of liability for this Coverage Part set forth on the **certificate of insurance** shall be reinstated and shall apply to the optional **extended reporting period**. The limits of liability applicable to the optional **extended reporting period** will be in an amount equal to one hundred percent (100%) of the limits of liability for this Coverage Part set forth on the **certificate of insurance**. This is a one-time reinstatement of the limits of liability for this Coverage Part set forth on the **certificate of insurance** and applies regardless of whether the term of the optional **extended reporting period** is for one (1) year or of unlimited duration.

- C. Such extension for the reporting of **employment claims** shall not apply to:
1. any pending **employment claims** or proceedings; or
 2. any paid **employment claims**; or
 3. **employment practices wrongful acts** committed after the termination of this policy; or
 4. **employment practices wrongful acts** that are covered under any subsequent insurance **you** purchase, or that would be covered but for exhaustion of the limit of liability, applicable to such **employment practices wrongful acts**.

- D. Any optional **extended reporting period** that is purchased will begin after the automatic **extended reporting period** ends.
- E. **Termination of coverage** means, whether made by us or the **named insured** at any time: (1) cancellation or nonrenewal of this Coverage Part; or (2) decrease in limits, reduction of coverage, increased deductible or self-insured retention, new exclusion, or any other change in coverage less favorable to the **named insured**.

All other terms and conditions of the Policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the Policy issued by the designated Insurers, takes effect on the effective date of said Policy at the hour stated in said Policy, unless another effective date is shown below, and expires concurrently with said Policy.
