Aon Corporation, our ultimate parent company, and its affiliates have from time to time sponsored and invested in insurance and reinsurance companies. While we generally undertake such activities with a view to creating an orderly flow of capacity for our clients, we also seek an appropriate return on our investment. When they exist, these investments, for which Aon is generally at-risk for potential price loss, typically are small and range from fixed-income to common stock transactions. In such case, the gains or losses we make through our investments could potentially be linked, in part, to the results of treaties or policies transacted with you. Please visit the Aon web site at [http://www.aon.com/market\\_relationships](http://www.aon.com/market_relationships) for a current listing of insurance and reinsurance carriers in which Aon Corporation and its affiliates hold any ownership interest.

### Contracts and Agreements

Please visit [http://www.aon.com/market\\_relationships](http://www.aon.com/market_relationships) for more detail on these agreements.
