

IMPORTANT NOTICE CONCERNING PRIOR ACTS – PLEASE READ

If you are currently insured under a claims-made policy, it is important that you continue your coverage without interruption when moving to a new policy. By providing HPSO with the Retroactive Date or “Retro Date” of your expiring policy, upon approval of your application, your new policy will provide you with continuous coverage. This means that any claim that might occur on or after your Retro Date will be covered under your new policy. If you do not provide your current Retro Date on this application, and do not elect to purchase Extended Reporting Period coverage from your former insurer (“tail coverage”), your previous claims-made coverage will lapse. It will no longer respond to any claims that may arise for that original policy period – and neither will your new policy. This could leave you completely unprotected or “bare”.

Determine Your Rates

If you have been insured under a claims-made policy and wish to continue your coverage without interruption you must include a copy of your current Declarations Page with this application. Please enter the Retro Date of your current policy (found on the Declarations Page), and the requested effective date of your new policy, on the front of the application where indicated. To determine the appropriate rate, first note the number of years that have elapsed between the dates you provided above. Fractional years of six months or more are rounded UP; less than six months rounded to the next lower year. Once you’ve calculated the correct number of years, add 1 to this total to represent the current year, and this number is the basis for your coverage. If the total is 4 years or more, you would pay the “Mature” rate (4+ years) listed on the chart below. Totals of less than 4 years pay the appropriate premium listed in the matching column. Please note the total premium you’ve selected on the form of this application where indicated.

If you have any questions or need help with this application, or if you would like information on Prior Acts coverage for services performed before the effective date of this policy, please call 1-888-273-4610 for assistance.
